

Lancashire Skills Support Initiative

Access free training to develop the skills your business needs to grow

Preston's College, working with Lancashire LEP on behalf of the Local Business Community, offers your company immediate access to the Government's new flagship Skills Support initiative.

This exciting initiative enables local companies to access training funds to target specific skills gaps.

Preston's College is the lead in the local area and is able to broker training solutions for companies with less than 250 employees.

Our Business Development Team will work with you to discuss your requirements and to design your individual training package.
