

Powering our future workforce

RUNSHAW COLLEGE

**South Ribble Skills
for Business Event**
Thursday
7th March 2019
7.30 - 9.45am

You are invited to the South Ribble Skills for Business Event on 7th March 2019

South Ribble Borough Council and **Runshaw College** are offering you the opportunity to hear directly about the newly introduced **T levels** and about the apprenticeship support available for businesses through the Apprentice Factory.

The event, which is part of National Apprenticeship Week 2019, will focus on the opportunities offered to businesses by the 45 day industry placements as part of T Levels and on how South Ribble Apprentice Factory can help your business.

As well as hearing all the latest information on skills and training opportunities, degree apprenticeships and changes to government funding and skills support, you will have the chance to network with other local businesses and to discuss relevant issues for your business.

Event programme:

7.30-8.00am

Arrival / breakfast

8.00-9.15am

Presentations by South Ribble Borough Council, Runshaw College and local businesses

9.15-9.45am

Networking & myth busting

Please confirm your place by contacting the Investment and Skills Team at South Ribble Borough Council
